Cast, Chorus, Preschool Chorus

Special Thanks

The parents of our cast and chorus deserve an extra thank you this year. They made themselves available for all rehearsals and became videographers. We could not have done this show without you.

To the cast, for sharing their Christmas stories and memories. And to the parents who costumed and recorded and submitted multiple videos. We could not have done this without you!

Thank you Jackie Darnell, for coming up with a creative way to put on a show during a pandemic. We especially want to thank you for writing original music and some of the dialogue for the show.

Thank you Andy Randall, for arranging the original music with Jackie.

Leighanna took hundreds of audio and video submissions and compiled them into one fantastic show. Thank you so much for sharing your talent with us.

Thank you Tom Horwath, for taking the lead and getting the band together, arranging recording sessions and adding the accompaniment to all the songs.

Epiphany Lutheran Church and the Drama Steering Team for supporting the production team and helping to make this show happen.
