PARENT CONNECTION & SERVICE PROJECT

LEARNING EVENT MAKE-UP

SERVICE WITH A PARENT

For this make-up assignment, students and parents should do a community service project for a minimum of two hours, and then summarize the project using the prompts and questions below. This service should be completed by the student and parent together and is above and beyond the 10 service credits per year expected for confirmation. If you need suggestions, here are some ideas:

- Contact Epiphany's Pantry and set up a time to help with sorting, cleaning, or filling orders
- Find a local shelter serving a Thanksgiving meal or other meal and serve together
- Apply for a Thrivent Action Team grant online and set up a service project of your own
- Sort through your own belongings at home to find items that can be used by a local organization
- Volunteer with SICSA
